

src/include/KeyValidator.hpp

```
graph BT; A[src/include/KeyValidator.hpp] --> B[src/sources/JsonHandler.cpp]; A --> C[src/sources/KeyValidator.cpp];
```

The diagram illustrates the dependencies of the header file `src/include/KeyValidator.hpp`. It is represented by a gray rectangular box at the top. Two blue arrows point from the bottom of this box to the top of two white rectangular boxes below it. The box on the left is labeled `src/sources/JsonHandler.cpp` and the box on the right is labeled `src/sources/KeyValidator.cpp`. This indicates that the header file depends on both source files.

src/sources/JsonHandler.cpp
