```

The diagram illustrates the dependencies of the header file `src/include/KeyValidator.hpp`. It is represented by a gray rectangular box at the top. Below it, two white rectangular boxes represent source files: `src/sources/JsonHandler.cpp` on the left and `src/sources/KeyValidator.cpp` on the right. Two blue arrows point from the top-right corner of the `JsonHandler.cpp` box and the top-left corner of the `KeyValidator.cpp` box towards the bottom edge of the `KeyValidator.hpp` box, indicating that both source files include or depend on this header.
